

# Serger Skills

**Instructor:** Catherine Gentile

Saturday and Sunday, January 23<sup>rd</sup> and 24<sup>th</sup> Time: 10-4

Tame your serger! Learn how to thread the machine and switch between the basic stitches easily.

- Learn how to use the most common stitches
- Tie off beginning and end of the seam
- Sew curves and inner and outer corners
- Sew rolled hems
- Use the differential feed
- Sew a coverhem
- Let's also learn what you can do to clean and oil your serger to keep it in tip top condition. Together, we can take the terror out of serging.

## Supply list:

- Serger with manual, power cord, foot control
- Accessory box that came with the machine
- 4 spools of serger thread in different colors
- Thread snips
- Reading glasses if needed

\*\*\*Fabric kit will be provided at class
