

Paper Piecing with Freezer Paper

Come learn how to use, and reuse, freezer paper for paper piecing quilt blocks. You can reuse these patterns 4-5 times and, when done, no paper needs to be torn off the quilt block.

We will provide a preprinted freezer paper pattern to help you create the table runner in the above picture. Feel free to use whatever colors you like.

You will need:

- Various fabrics in coordinating colors

- Sewing Machine and thread

Useful to have:

- Add a quarter ruler

- Post Card or card stock (advertising junk mail card works well)

- Personal cutting mat and rotary cutter

- Small iron

- Light box is useful for placing fabric but not required
